**Identification of Suppliers for Provision of Deep Ripping Equipment  
to Farmers / Service Providers  
Under  
Sindh Irrigated Agriculture Productivity Enhancement Project (SIAPEP)**

1. The Government of Islamic Republic of Pakistan has received a credit from the International Development Association (IDA) towards the cost of a six years' Sindh Irrigated Agriculture Productivity Enhancement Project (SIAPEP) being implemented since 2015 in the entire Sindh province.
2. Besides other activities, the project will be providing 1,100 units of Deep Ripping equipment to farmers/service providers (beneficiaries) under a subsidy scheme.
3. To help identify suitable suppliers of the equipment for the beneficiaries, the Project Director is inviting the following information at the address given from the interested parties;
  - i. Experience and/or capacity to supplying Deep Ripping Equipment of the specifications as stated in annex or website [www.siapep.org](http://www.siapep.org)
  - ii. Valid registration certificate of the business in Pakistan
  - iii. Valid Tax Registration certificate in Pakistan and ability to undertake documented transactions

Contact details of the suitable Suppliers will be published on the project website and will be shared with the beneficiaries. Beneficiaries will be making the final choice and will negotiate the price with the supplier and sign a contract which will be additionally signed by Project. Project design guarantees the full payment less applicable taxes after verification of equipment per specification supplied within the agreed timeframe.

The Supplier should submit their profile complete in details as per requirement above to PD-SIAPEP at the following address. There is no deadline but early submission will help complete the process swiftly.
