

Terms and conditions for acquiring the subsidy-based Laser Land Leveling Equipment:

- i. I am the resident of Sindh Province and possess valid CNIC of Sindh province.
- ii. I own a tractor (not less than / in the range of 55-65 HP) compatible to the Laser Land Leveling Equipment and the documents are duly registered & verified from the Excise and Taxation Department, Government of Sindh. The original tractor documents shall be provided if required by SIAPEP.
- iii. I have never availed such equipment under any scheme of Government of Sindh / Federal or World Bank.
- iv. I shall acquire the Laser Land Leveling Equipment from one of the Supplier Firm, listed for this purpose by Project Director – Project Implementation Unit (PD-PIU), Sindh Irrigated Agriculture Productivity Enhancement Project (SIAPEP).
- v. If, I would not be able to book / purchase Laser Unit with any selected Supplier Firm within thirty (30) days of time frame after the balloting, the PD PIU SIAPEP keep the right to award next applicant in waiting list chosen by balloting.
- vi. I shall abide to follow the payment procedure and pay the due share within the specified period in favor of chosen supplier firm.
- vii. I ensure to carry out land leveling of my own land, would provide such services on rent to other farmers and use the Laser Unit solely for agricultural purpose.
- viii. I shall keep the record of Laser usage and would provide details to PD-PIU-SIAPEP or concerned offices (Directorate SIAPPE Upper & Lower, OFWM / SIAPEP District / Field Team & Project Consultants) as and when required.
- ix. I will never sale, transfer or hand over possession of the Laser Equipment at least before two (02) years of use to any person / party.
- x. I would bear full operational and maintenance cost of Laser Equipment.
I ensure to arrange one operator for the Laser Unit to be trained in operation, trouble shooting, repair and maintenance and farm layout planning from the specified institutes by the recommendation of Project Director, SIAPEP.
- xi. I undertake that if my application is rejected during scrutiny, then I would abide by the Scrutiny / Allotment Committee decision and would not challenge in any court of law.
- xii. I undertake that I will be bound and will never violate the terms and conditions for acquiring subsidized Laser Land Leveling Equipment through project scheme, if so, I will be liable for consequences.

The following required documents are attached with application form:

S. #	Required Documents	Yes	No
01	Duly Verified & Photocopy of Registration document of Tractor (not less than 55-65 HP) from the Excise and Taxation Department, Government of Sindh and duly attested from Grade 17 Officer.

Important Instructions:

- Application forms for acquiring subsidy-based Laser Land Leveling Equipment are available with free of cost at all SIAPEP / On Farm Water Management (OFWM) Project Directorate, Upper & Lower Directorates and District Offices. Photocopy of the application forms are also acceptable. Application forms may be downloaded from the official website: www.siapep.org
- One-time applications are invited to provide Laser Land Leveling Equipment units for the total yearly target to support the farmers / service providers.
- The Committee constituted by the Project will scrutinize all received applications from farmers / service providers on the basis of set out criteria. The list of eligible applicants will be put on display outside the office of the Project Director SIAPEP, Hussainabad, Hyderabad, and also will upload on the official website.
- The balloting of eligible applicants (where necessary) based on the district quota, will be initiated. The eligible applicants may participate in the balloting process for their observation. The successful / waiting list will be uploaded on Project's website. Also, allotment letter will be dispatched to the successful applicants within ten (10) working days of the draw.
- The Grower / Service provider will negotiate the price, delivery time and book their equipment with the chosen enlisted firm and will submit the original demand draft in favor of chosen firm in the office of Project Directorate SIAPEP within one month of award for supply of booked equipment.
- The delivery of the unit will be made to the beneficiaries at the Project specified venue.
- In case of violation of any term and condition by the beneficiary at any stage, Project Director-Project Implementation Unit (PD-PIU) will take action against the beneficiary, which may include cancellation of Laser Unit allotment and / or appropriate action as per government rules / policies.
